**Community Update
on the Berkeley Lab's
Environmental Restoration Program**

**Thursday, July 1, 2004
5:30-7:00 p.m.**

City of Berkeley Planning Department
2118 Milvia Street, 1st floor conference room

The public is welcome to attend a community update on Berkeley Lab's Environmental Restoration Program. Dr. Iraj Javandel, Program Manager, will present a semi-annual update of the Berkeley Lab's soil and groundwater cleanup activities. These activities are being performed under the oversight of the California Department of Toxic Substances Control, and are of interest to the community.

Material on this program is available at the Berkeley Public Library, 2090 Kittredge, 2nd floor reference area.
